**Couture Homes Limited (a member of CSI Properties Limited) as Venue Sponsor of the Platinum and USGBC LEED v4 Workshop**

(November 2, 2015) -- Couture Homes Limited (Couture Homes), the wholly owned subsidiary of CSI Properties Limited (Stock code: 497), is dedicated to foster a better and more harmonic community and contributes to community by sponsoring charitable and educational functions in Hong Kong. After sponsoring the “Junior Achievement Hong Kong (JA) Thanksgiving Event” organized by Junior Achievement Hong Kong (JA) in March 2015, the group’s latest charitable event is sponsoring the venue for Platinum and The U.S. Green Building Council (USGBC) LEED v4 Workshop.

Platinum is a not-for-profit organization that serves to connect, educate and support its members in the promotion and development of green buildings. It also acts as the conduit by representing the voice of LEED professionals in Hong Kong and China to the USGBC by participating on the LEED International Roundtable. Their members includes active LEED professionals in the region, coming from many stakeholder organizations, covering various fields in the green building industries including but not limited to professional consultancy companies, facility management companies, research institutes, service providers and real estate companies, etc.

The U.S. Green Building Council (USGBC) and its community are changing the way buildings and communities are designed, built and operated. They believe in better buildings; places that complement our environment and enhance our communities. Places that give people better, brighter, healthier spaces to live, work and play.

Mr. Walter Or, Associate Director of Couture Homes Limited said, “Couture Homes is honored to be invited to sponsor and participate in such meaningful event. We fully understand that Green building is a win-win, offering both environmental and economic opportunity. We, Couture Homes will continue to contribute and connect to the community through participating in different kinds of community activities.”
